EAGLE RIVER HIGH SCHOOL
EAGLE RIVER, WISCONSIN
1950

We, the Senior Class of 1950, dedicate this annual to Mr. and Mrs. Check, in appreciation of all the things they have done for us and the school.

Through the efforts of Mrs. Check, girls athletics have again come into the spotlight of E. R. H. S. She has organized a girls bowling team and also a girls basketball team. Through her guidance and help, our year as Sophomores was made very successful.

Mr. Check has coached the boys hockey team and has done a wonderful job acting as advisor to the Hi Times Staff. His fine work in the Commercial department has done much to encourage students along that line.

To them, we dedicate this annual, with the hope that all their days may be successful and happy as our four years in high school have been.

Planned and prepared by one of the busiest and most active organizations of the school, the HI TIMES, student paper of ERHS is published weekly in the Vilas County News-Review. It's primary purpose being to inform and to entertain, the Hi Times features a wide variety of material designed to appeal to the general reading public as well as the student body.

Some of the many activities of the staff are: the sale of Hi Times pencils with the complete basketball schedule on them, sponsoring various movies, checking coats at basketball games, selling homecoming pins, and traditionally giving the first dance of the season.

High-lighting all these doings is the Hi Times banquet which was held this year at the Gateway. At this time new members are taken in and editorial positions for the following year are assigned.

The six seniors making up a part of the staff of thirteen, will receive journalism pins for their work on the paper. They are: J. Burnett, R. Ehle, J. Carlson, D. Hall, W. Richmond, and C. Richmond.

As everyone knows, Bob Pripps was always crazy about airplanes. He liked to take a little spin whenever he got the chance. When in E.R.H.S. he wrote themes, book reports, and gave much information about airplanes. Well, one day Bob had an accident and much to everyone's sorrow, he didn't pull through. Now Bob is in heaven and he's looking down on all his old friends, and this is what he sees.

Chancing to look in on a Congregational Church, Bob almost dropped his teeth when he saw that the organist was Don Hall. A last-minute brainstorm to further his musical ability. Fred Sanborn is one of the few who did not miss his calling. Fred is a first class filibuster at the White House. Via the angelic grape-vine Bob finds out that Gerry Ellerman is still the only female member of a famous club started in high school. Bob found Dave Helge making his debut at Carnegie Hall, dressed in a tuxedo, top-hat, and spats, and smoking a 10¢ cigar. Passing over Ghost Town, Colorado, Bob found Yvonne Merkel ably running the headquarters for F. F. clubs situated all over the United States. Being the founder of this organization, she made all original members presidents of clubs in their states.

East of Eagle River, Bob sees "Schmidty", who has taken over Dan Burns' and is slowly running Perry's out of business. Janet Fiedler is a Power's Model and is, also, drawing the highest wages ever paid. And no wonder, she's modeling bathing suits. Much to Bob's surprise he finds Jackie Roderick running the biggest gambling casino in Nevada. She's made her first million and has only had the place two years. Flo Petts is another who has not missed her calling. She became a lady (?) wrestler and took the title away from "Georgious George." And Jean Hamilton is married to Clark Gable's younger brother. They lived in Hollywood and Jeanie is an ideal actor's wife. Speaking of Hollywood, who else should Bob see but Janis Carlson in the movies. They just couldn't resist her innocent look, I guess. Do you suppose she will marry as much as others in Hollywood do?

Oh! Yes, here he sees the Godleski Twins keeping the town busy guessing which twin has the toni. A while back they both got one and couldn't even tell each other apart.

Bob finds Marv Elliott turned domestic and is running a restaurant. The back is a combination gym, pool hall, and bar. The specialty is something called "Marvin's Miracle." And Rita Ehle is seen supervising one of the largest telephone companies in the nation. Her motto is—"A good 'Line' makes the best connections." Then he sees that all Eagle River Housewives turn on their radios at 10:00 A. M. and tune in WOBT to hear Hazel Luttkus and all the little "Hazel Nuts." Colleen Murphy has spent the past 10 years at Whitewater, she went to learn, but with her brain she ended up teaching. Bob says—"Yep! Vanita Dotson is really rollin' in the dough!" Notes: -she's working at Schmidt's Bakery.

Then he sees two lasses from Eagle who have made good in television. They are Audrey Ludwig and Dawn Ramthun. Audrey sings on the Milton Berle Show and Dawn reformed and is now playing the famous "Mrs (Pam) North." And who is the manager for them?—None other than Charlene Dotson who gets 30% of their take. Yesterday she interviewed Mrs. Carol Teufert Numrich, who won the first prize for having the best-looking children. All five of them.

Bob saw that E.R.H.S. produced one author from his old class and that is none other than Wilma Nickells. She wrote "Nickells for Hockey, but not one cent for School." Of course, Vida Rand always did seem lazy so Bob wasn't surprised to see her working (?) as life-guard out at the Beach.

Bob then decided to look over his old Alma Mater and who should he see driving a bus—but Marion Carlson. She drives the late shift for the kids who want to sleep until 9:30 A. M. Martha Krevolt has done well for herself. She owns her own Abstract Business and she can type so fast that she needs no hired help.

Gwen Rand had done well, too. She's the head of the Baby Department at the St. Germaine Hospital. Her prize brats are the John Eliason triplets. Johnny's hoping some new cars come out so he can teach his sons to drive.

Bob happens to look northeast and he sees Shirley Congleton as a female taxidermist who stuffs exclusively mice, chipmunks, and guinea pigs. Pat Liston holds the title of "Miss Afghan of 1960" for making the most and prettiest afghans.

Polly Bent liked Flo's part so well in the Senior Class Play, that as soon as she graduated she took wrestling lessons at North Central U. S.

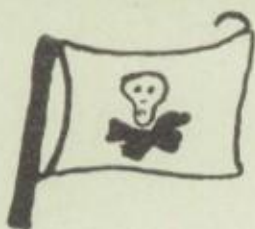

Passing over Rhineland, Bob sees that Andrea Hansen took over Clyde Downing's show of spinning popular platters. Reports say that she sneaks in a classical now and then, though. And Ruth Newell is signed up with Spike Jones's band. She plays trombone in this famous organization. Doris Tuscher has taken over Shilling's Drug Store in Minocqua. Lois MacGregor helps her too. Lois has charge of the "dopes"—or drugs to you, and is famous for her marijuana cigarettes.

Bob finds that Vay Brook has been hired by the E. R. Recreation Committee to teach tennis to anyone wishing to learn. As a division, she sometimes teaches boxing or golf. Dave Gunderson and Jack Burnett are seen running a taxi service. When Dave has a date, Jack drives, and vice-versa. It's not quite too handy on a double date. The "Roamers" are back in E.R.H.S., giving another lecture course. Featured as a new attraction, is Dona Croker—the famous pianist. Bob sees that Joyce Byington and Donna Osterberg have a "Sweet Smelling Skunk Farm." They make the best perfume this side of Conover. Gloria Eastman is still busy at her favorite past time—"doing nothing." Mildred Corriveau won first prize at the Vilas County Fair, for her crocheted bedspread. Mrs. Trunce, Milly's ex-Home Ec. teacher, got second. Bob sees Joe and Stanley Kukanich working together on a farm which is run scientifically and mechanically,—by pushing buttons, no less. Yep! Stan pushes the buttons while Joe does the dirty work when anything goes wrong. There's Bob's "bosom buddy" Earl Hedberg working his heart out trying to become a champion ski-jumper. His form, (for jumping, that is), has certainly improved since the Renberg days at Conover. Yep! Bob Swett really did have basketball in his blood. The two things Bob loved most were basketball and girls! Well, he's happy now that he's got a job where there are both. He's a coach at Vassar. Bob sees that Don Bush has been offered a movie contract by MGM, but refused it. He wants to become a missionary and devote the rest of his life to foreign people.

Bob is really surprised when he sees Jean Fiedler married to Ole Olson an "Irishman." Betty Lindquist is now happily married to the manager of the Eagle River Falcons. Ruby Perry, now Mrs. J. D. Daniels, wife of Rev. Daniels, is seen doing excellent work with the Ladies' Christian Aid. Gladys Kauzlaric and Vera Stetson are seen laying bricks for a bungalow. He couldn't figure out whether they were building a house for themselves or making a little extra between basketball games.

Now Bob sees a heart-breaking sight. Widow Wannie Johnson and her six children are living on a pension. This is due to the last experiment in Atomic power, of husband Asa. Suddenly, friend Bob hears music from Little Rock, Arkansas, and finds it's Charmaine Pregont singing soprano solos for the biggest audience he's ever seen. Bob's old buddy Jim Wierichs is still in Conover, running a General Store which includes a post-office, bank, and funeral parlor. Connie Richmond is working in the hospital which was donated to her in behalf of her courage beyond the call of duty in bringing Deen's three boys into this old world. Their names are Herbert, Hubert, and Honroe. Audrey Larson has been spending her time playing the piano at the "Stork Club." She plays and sings "torchy" love songs. Bob has decided that one look at his fellow graduates is enough to last him to eternity, so he slowly floated back.

Eagle River-6 Rhinelander-0
On a muddy field at home
Eagle won their second game.
A long run up the center of
the field by Kriek, was the
only score in the game. Heal
was the outstanding player.

Crandon-19 Eagle River-6
Again Eagle River was
defeated by a charging
Crandon team. We were hand-
icaped by the loss of D.
Elliott and L. Swett.

Park Falls-24 Eagle River-6
Eagle River was beaten by
one of the strongest high
school teams in Northern
Wisconsin. Eagles only
counter was by B. Schlack in
the 3rd quarter.

Minocqua-13 Eagle River-7
In their second conference
tilt, Eagle River dropped a
close game to Minocqua. In
this contest Lee Swett
scored on a long run and Kay
kicked a beautiful drop for
the extra point.

Three Lakes-0 Eagle River-13

The seasons opener was played under the lights in Eagle River. Three Lakes, a newly formed team went down in defeat 13-0 as Eagles power was evident. Lee Swett scored the first touchdown on a long end run, followed by a touchdown by Hall. The line held Three Lakes to a standstill.

Goodman-20 Eagle River-0

After an exciting first half, Eagle River was defeated by a 20-0 score. A few breaks went against us and Goodman cashed in on this fact.

Eagle River-31 Wabeno-0

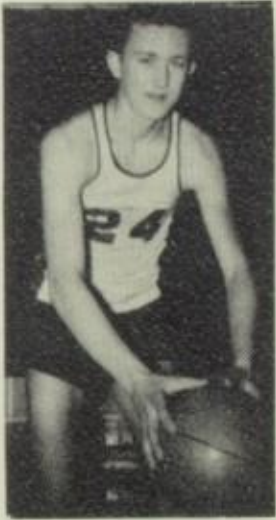

The Red and Blue really opened up on the scoring, and pushed Wabeno all over the field. A touchdown was made on a long pass to Marvin Elliott. The line defense was excellent.

Laona-20 Eagle River-0

Eagle River was unable to gain against the Laona line, and Laona tore through the Eagle River defense consistently. In this game Dale Elliott and Lee Swett were sidelined with injuries.

Eagle River, in their first encounter of the year, lost a rugged game of basketball to the Rhinelander Hodags, 50-28. The following night, the Eagles playing host to the Crandon Cardinals, were defeated by the score of 50-39. Playing their first conference game, the fighting Eagles toppled the Elcho Hornets, 46-25. Coming from behind, after trailing 20-14 at half time, the Eagles then capped their second straight conference victory, from the Minocqua Islanders, 35-27. Battling the Phelps Knights for undisputed first place, Eagle River lost the crucial contest, 54-41. In the final seconds, Eagle River lost a thriller to a snappy Three Lakes five, 40-38. Displaying a fine brand of basketball Eagle nosed out a strong Rhinelander quintet, 41-40. In another non-conference tilt, Park Falls downed the Red and Blue 49-35. In their top effort of the year, the Eagles upset the undefeated Crandon Cardinals, 45-40. Starting the second five and letting the first five finish, Eagle rolled to an easy 52-26 victory over Elcho. At Minocqua the Islanders, led by Herrick and Hermann, edged out the Eagles 50-41, and thus avenged an earlier defeat at the hands of Eagle River. Then the Eagles traveled to Wabeno where they were upset by the Logrollers, 33-31. Playing on their home court, they lost the fourth conference game to Phelps, 40-33. Playing top-notch ball, the Eagles showed their potential ability, and dumped the Three Lakes Bluejays, 38-27. In a return engagement with Wabeno, the Eagles evened the score, with a victory. A powerful Park Falls team was too much for the fighting Eagles and Park Falls took the decision, 66-48. Eagle beat White Lake in the Jamboree at Crandon 38-32, thus taking fourth place in the conference.

Don Hall was a high point man for Eagle River, scoring a total of 232 points in seventeen games. Ed and Jack Godleski played outstanding ball throughout the year; Jack scoring 140 points to be second high and also winning the free throw trophy. Marvin Elliott and David Helge displayed good basketball technique at all times. B. Swett, D. Gunderson, G. Schmidt, J. Burnett, and D. Karenke completed the first ten. D. Hall and M. Elliott made all conference. The "B" team should be complimented on their fine playing and showed promise of a great team next year.

Ruth: "Isn't it strange that a man's arm is just as long as the distance around a girl's waist?"

Earl: "It is? Say, let's get a piece of string and find out!"

Pullman porter: "May I brush you off, Madam?"

Dawn Ramthum: "You may not. I'll descend in the usual manner."

Two ghostly sheets are mighty proud.
She's short; he's tall and lanky,
The tall one's passing out cigars--
His wife just had a hankie!!

David Helge came home after playing a tough game of football.

"Ma," he said, "you once told Aunt Mary that I had your eyes and daddy's nose. Well, look at me now. I'm like grandpa—no teeth."

Mr. Freymiller: (Taking up quiz papers) "Why the quotation marks on this paper?"

Don Hall: "Courtesy to Janis Carlson on my right."

Bob Pripps: "How did your potato crop turn out this year?"

Mr. Simmons: "Fine. Some were as big as marbles, some as big as peas, and then, of course, there were the little ones."

Father: "Rita, that young man of yours stays much too late when he calls. Hasn't your mother something to say to you about that?"

Rita Ehle: "Yes, father, mother says men haven't changed a bit."

Mr. Kracht in sociology: "What do you think is the basic trouble with parents?"

Vera Stetson: "We get them when they're too old for us to change their habits easily."

Wannic Richmond: "Wnat's an angel?"

Ed Godleski: "A pedestrian who jumped too late."

"Schmidty": "Do you smoke, sir?"

Mr. Hunt: "Yes, I'm very fond of a good cigar."

Gene: "Do you drink, sir?"

Mr. Hunt: "Yes, indeed, I enjoy nothing better than a bottle of wine."

Gene: "Boy! It's going to cost me something to pass this course."

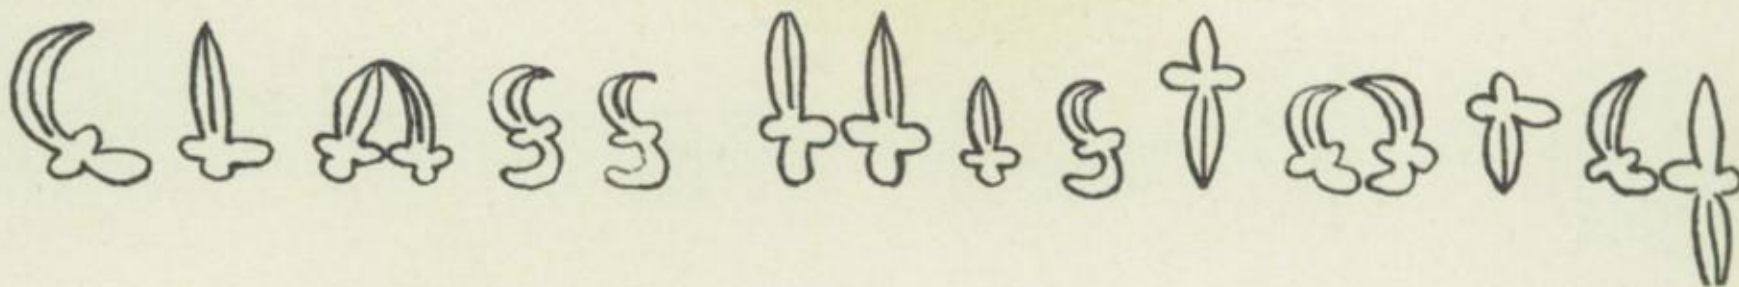

Pat: "What's the trouble, Jack?"

Jack: "Puncture. Left front tire."

Pat: "You should have been more careful. They told us back at that filling station to watch for the fork in the road."

Stanley Kukanich: "Let's see now, October, October, October; the beautiful month of October—"

Joe Kukanich: "The weather rains, while football reigns, and the grads forget to stay sober."

As I walked up the steps to E. R. H. S., the place looked cold and deserted. Not exactly the sort of spot that would come to mind when you say, "I have spent four wonderful, fun-filled years here!"

My steps sounded hollow as I strolled down the hall. It seemed odd to glance up and see my class looking down from their picture on the wall.

A dozen scenes flashed through my mind at once. Having nothing better to do I sat down and tried to sort them out in logical order.

The year I was a Frosh---centuries ago it seems, but what a year that was! The Senior girls gave their Freshman sisters a party. "Just to get better acquainted with the 'young' kids."

We got ourselves into all the different organizations, forensics, football, basketball, band, Hi Times, and glee club. Yes, we were really off to a great start!

I saw myself as a Sophomore quite used to the old routine. Together with the gang we sponsored the Rhinelander Male Chorus---made lots of money too. That year the school got football lights. Some of our boys made the first string in athletics and one even copped the free throw trophy, not to mention our class winning the inter-school basketball contest.

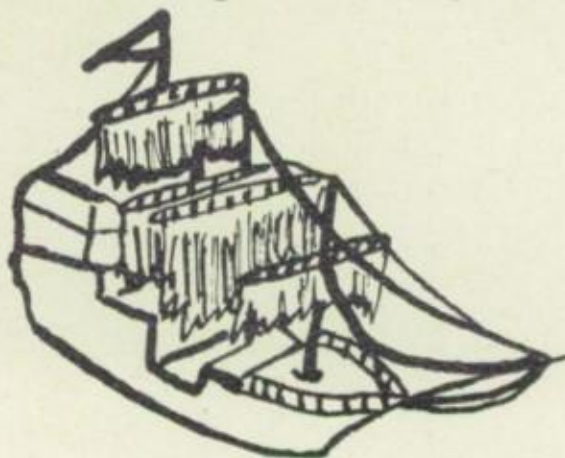

Juniors----smooth, suave, sophisticated Juniors. That year, how I loved it! Boy, was I a vision at our prom. "When You Wish Upon A Star" was the theme we finally cooked up and the whole night was a big success.

We were the first class for many years to get round rings and again have a member of our class win the free throw trophy. "Take Your Medicine" was our class play.

And then came that last wonderful year. To start things off with a bang we had our rib-tickling class play, "The Boarding House Reach." E. R. H. S. could offer standing room only the night of the play. Never before in the school's history was there such a crowd at a class play.

Next we sponsored the Rhinelander Male Chorus in the form of a minstrel. Again we have record breaking attendance. Then a member of our class won the Bob Ashton Sportsmanship Trophy. This was the first year this trophy was ever awarded.

And now we have gone to seek what the world holds for us. We sincerely hope our future can be as bright and as full of success as our high school days were.

The First National Bank
of
Eagle River, Wisconsin

Our principles-- safe and sound banking.

Our motto-- conservative, friendly and helpful.

To the Graduates of 1950- congratulations and good luck.

Education is a strong foundation for your future success--

Success ROAD is wide open to THOSE of ACTION--

Procrastination is responsible for more failures, more
lack of success than any other circumstance.

Whenever you feel tempted to put things off, say to
yourself, "I WILL DO IT NOW" and DO it!

A good education together with a substantial savings
account can go a long way towards your future.

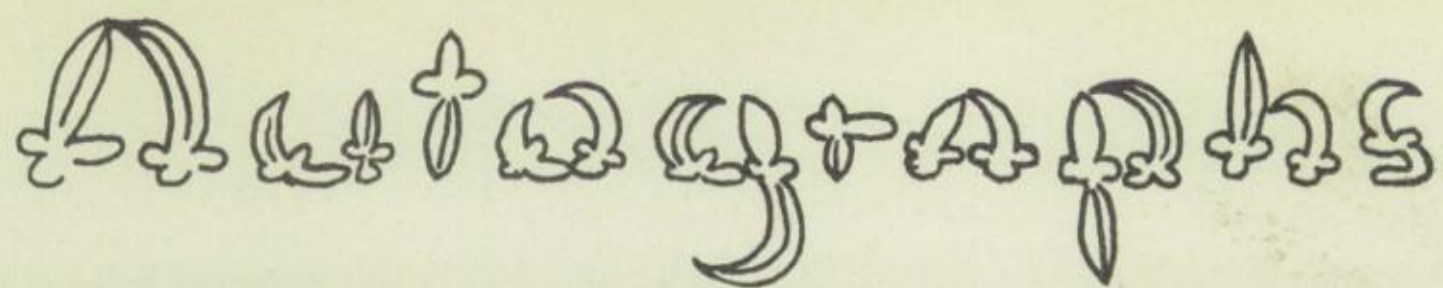

Start that savings habit NOW !
